

Come and Get Me

Alyssa Brooks
ISBN 0425215946
Berkley HEAT
June 2007
USA \$14.00

Come and Get Me is a contemporary, laugh-out-loud erotic adventure about a bride who gets cold feet and dares her fiancé to come and get her in a chase around the world.

Come and Get Me is Alyssa Brooks first single title release with Berkley HEAT. ***Come and Get Me*** is receiving rave reviews, including one from popular erotic romance author Diane Whiteside, who says, "I laughed, I cried, I cheered, and I couldn't turn the pages fast enough!"

Back cover blurb:

Sexual freedom ... exotic destinations ...

Who ever said you can't have a honeymoon before *and* after your wedding?

The thought of her impending marriage is giving Sadie panic attacks. Hives. Nightmares. She loves her fiancé, Dylan, but the concept of happily ever after is suffocating her. She isn't ready to face the future, and worse, the sex could be better.

Panicking, she packs her bags in the middle of the night, and dares her sexually repressed lover to come and get her.

Dylan will be damned if he's going to lose Sadie so easily. Leaving behind his inhibitions, he pursues her, a sexually hungry and desperate man prepared to do *anything* to seduce his woman, once and for all.

And so the game begins ...

Reviews:

"Come & Get Me by Alyssa Brooks is an erotic screwball comedy with heart. I laughed, I cried, I cheered, and I couldn't turn the pages fast enough to find out

Come and Get Me - Press Release

what happened next in Dylan and Sadie's madcap voyage of healing both engagement and themselves. Look out, world: Alyssa Brooks is on her way up!"

"Come and Get Me is worth reading over and over." 4 1/2 Ribbons, Romance Junkies

"Come and Get Me is a delicious and delightful romp!" Coffee Time Romance

Author Bio:

Author of fun, flirty, and contemporary erotic romance and erotica, Alyssa Brooks was first widely published as an e-author and small press author, with over fifteen short stories and novellas of varied genres in electronic and print form. Alyssa also publishes a free, monthly ezine, *Wicked Escapes*, for fans of erotic romance.

In 2005 she sold her first two e-published stories to Kensington for their APHRODISIA line, followed by the sale of two original erotic novels to Berkley HEAT, expected to be published in 2006/2007.
